

For Immediate Release

Now Businesses and Environment Go Hand in Hand

Promotionalgiftsstore.co.uk supplies a wide collection of promotional products for corporate and business clients in order to promote their businesses, products or services in a way that these products can reduce waste and pollution, save landfill and energy.

August 28, 2008: Leading ecommerce website Promotionalgiftsstore.co.uk is planning to offer a complete range of environmentally friendly products for corporate and business clients as parts of giveaways and gifts to targeted audience throughout the UK and parts of Europe, Dawn Koffler, its managing director, said.

Promotionalgiftsstore.co.uk, the UK's leading promotional gifts supplier ensures an environment management system that minimizes adverse affect of its promotional products on the environment as well as reduces health and safety risks of people using those products, he said. "Our main objective is to enhance possible business opportunities of our clients by following the path of environmentalism."

Today, businesses are taking the initiative to become more environmentally conscious in almost every aspect of their operation and they all want to be a part of "Save the World" campaign. Considering the fact, Promotionalgiftsstore.co.uk has decided to supply an assortment of environmentally friendly promotional products that features recycled, biodegradable and organic items as well as hand-powered electronics. Partnered with Redbows, the portal is committed to deliver products, which are made in a way that avoids clear-cutting forests, wasting water, using insecticides, burning fossil fuels etc. Put simply, the portal lets corporate and business clients to promote their businesses with environmentally promotional items, since such products send dual messages to recipients, - the promotional message and the environment-savvy message as well.

Both standard and environmentally friendly products are available with eco-friendly gift collection of the portal and allow entrepreneurs a wide selection of items to choose from, all of which are either made of paper, wood, cotton, etc. Whatever environmentally products you are looking, Promotionalgiftsstore.co.uk is sure to have items that will meet your budget. You can find a collection of products as diverse as from clothing and gadgets to paper and stationery. However, the portal is integrated with Design Studio to imprint logos and messages directly onto products and thus enables clients to gain instant mass attention in the market about businesses, products and services. Therefore, by using the portal's ecological promotional products, you will do your part to save the world.
